

# Growing With SIA

SIA

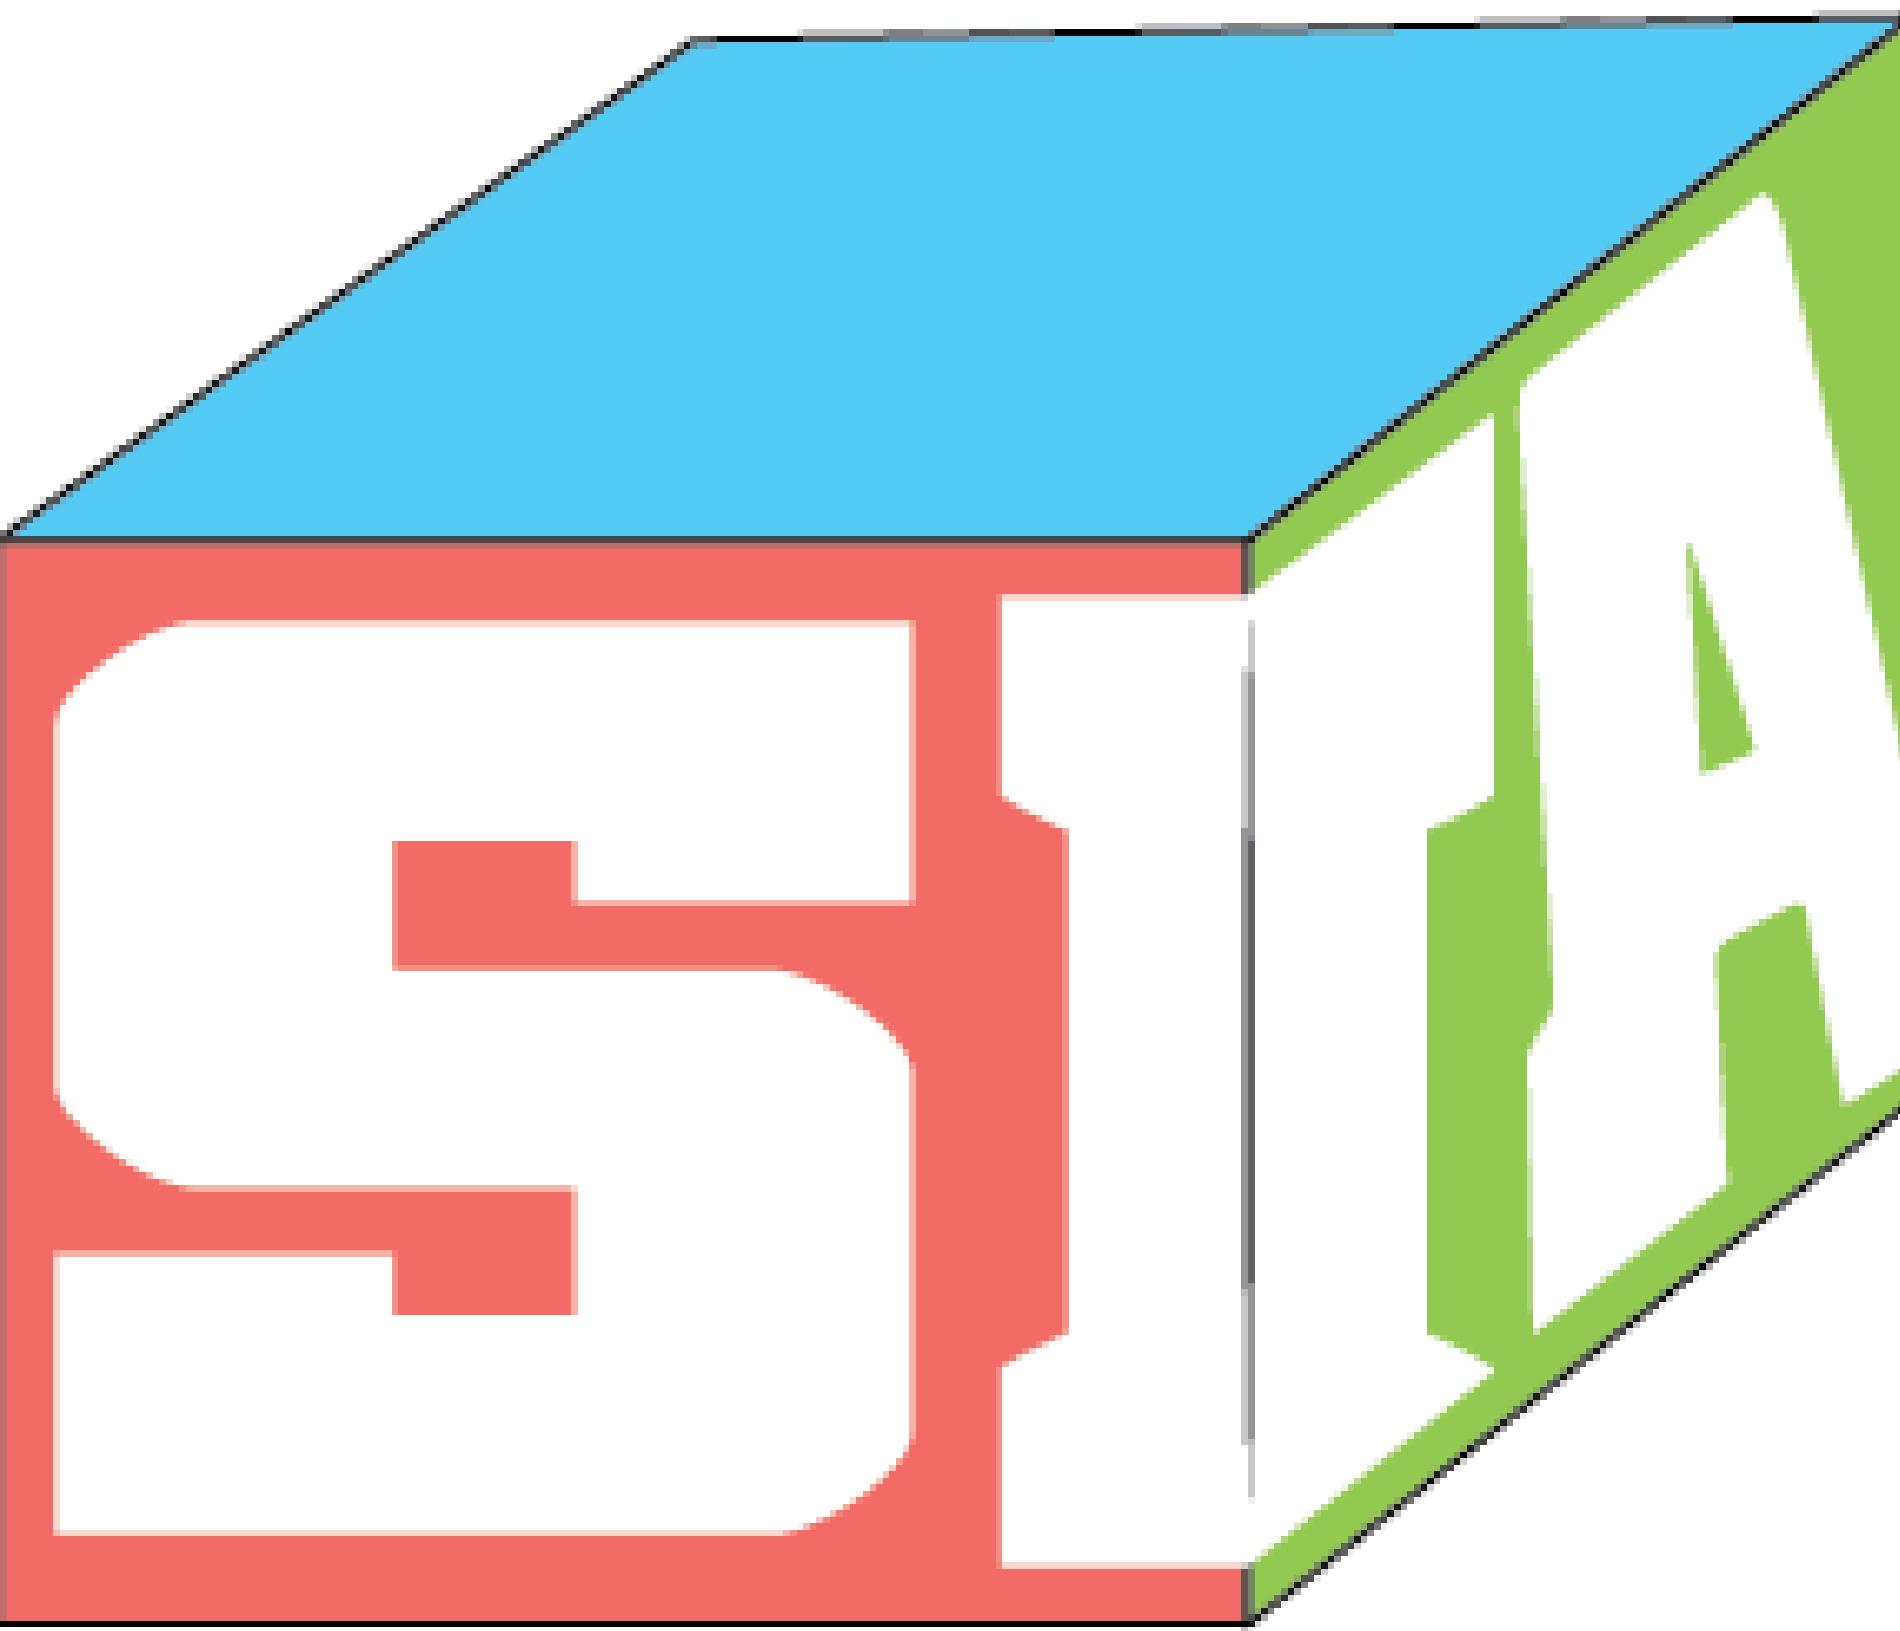

**Identity Reflection:** The logo reflects the nursery's identity and vision - nurturing children through knowledge, creativity, and play in a safe and inspiring environment.

The logo represents the identity of SIA Nursery.

The cube shape, I've chosen as it is the symbol for play, development, and childhood. Moreover, Building blocks is the first toys for children, which helps them to learn through play.

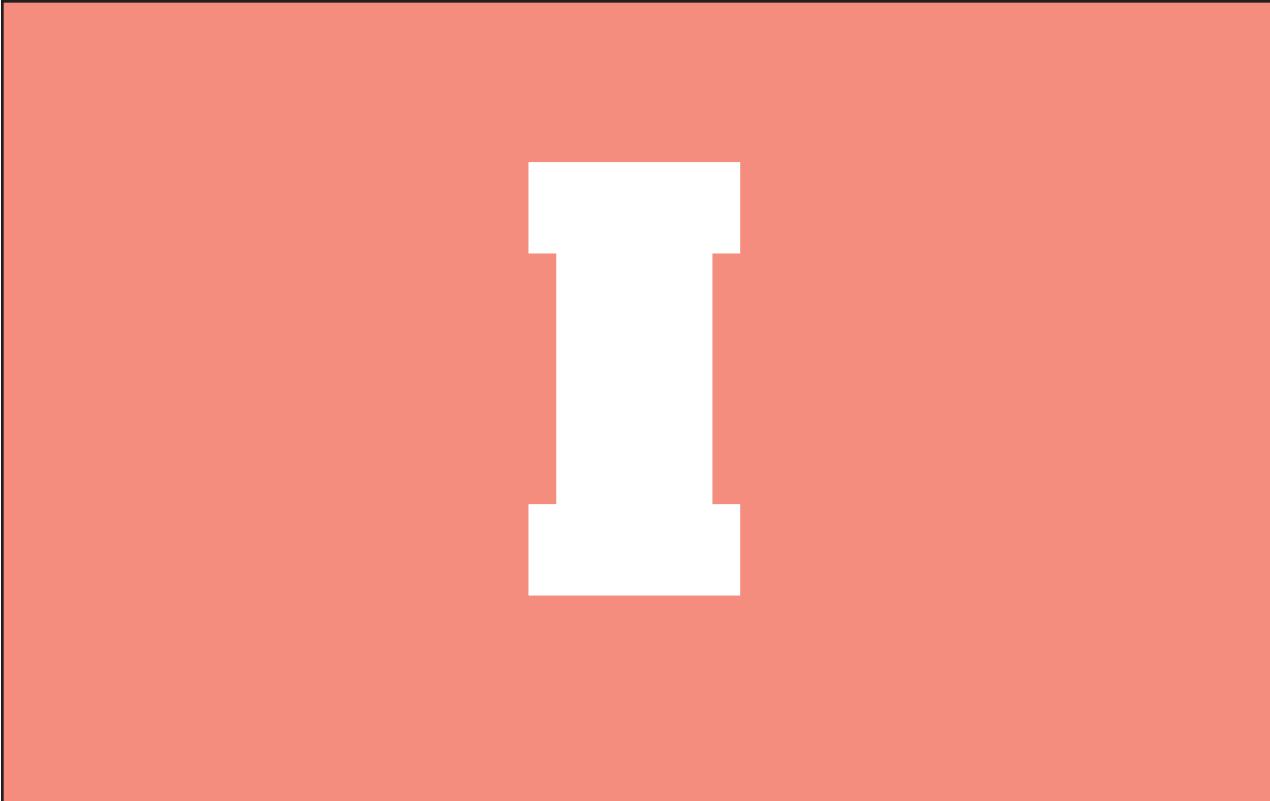

3D cube Shape, with each face showing part of the name SIA.

Letters on the whole Faces: They symbolize that children learn from multiple dimensions, education, play, and creativity.
